

Watch for *Natural Comforts*, a new publication coming this fall!

Thinking about adding a natural gas fireplace to the heart of your home? Want to learn how to **save up to \$700** when you convert from electric to natural gas heating? Interested in **mouthwatering recipes** that feature fresh, local ingredients? You'll find all this info – as well as the scoop on how natural gas rates are set, **money-saving** tips, and more – in ***Natural Comforts***, a free publication from Kitchener Utilities.

Subscribers get your **free copy** in *The Record* on **Saturday, October 14** or pick one up at Kitchener City Hall, 9th Floor.

A great resource gets even better

Based on the feedback of customers like you, we've updated our Web site with more information and a clean new layout that's easier to navigate. At www.kitchenerutilities.ca, you can:

Stay in the know – access Kitchener Utilities information around the clock

Avoid costly surprises – sign up for a furnace inspection to help ensure top efficiency this winter

Get peace of mind – request a reliable natural gas rental water heater

Seek help – request a service call

Save money – learn about programs and special offers.
