

Grants are doubled!

Kitchener Utilities is happy to inform you that the Province of Ontario is matching ecoENERGY[†] grants for energy-saving retrofits. Not only will you save on your utility bills, but you will get twice the grant!

Book an evaluation with REEP to qualify. Call 519-744-9799.

Do your renovations qualify?

Furnaces, Boilers (\$600-\$1,200), **Geothermal** (\$2,800-\$7,000)
Windows, Doors, Skylights (\$60ea.), **Air Conditioners** (\$400)
Water-Efficient Toilets (\$100), **Solar Water Heaters** (\$1,000)
Natural Gas Tankless Water Heaters (\$500)
Insulation (Attic, Walls, Basement, Crawl Space; \$200-\$3,000)

Note: Above grants include federal and provincial amounts added together

Waterloo Region's choice

for ecoENERGY[†] home evaluations and more

- Local** - Founded in the Region, this is our home
- Non-profit** - We inform, educate and motivate
- Experienced** - 9,000 homes evaluated since 1999
- Certified** - Energy Advisors certified by NRCan
- Quality** - Third-party quality assurance process

[†]ecoENERGY is an official trademark of Natural Resources Canada. Used with permission. ecoENERGY was developed by Natural Resources Canada and is delivered under an agreement with Green Communities Canada.

How to qualify for ecoENERGY[†] grants

- 1. Call REEP** at 519-744-9799 to book a home energy evaluation. One of our Certified Energy Advisors will evaluate your home. We send you your customized report including recommendations and savings estimates.
- 2. Renovate** within an 18 month period. You may follow as many of our recommendations as you like. Do it yourself, or hire a contractor.
- 3. Book a follow-up evaluation.** Savings, comfort and peace of mind are yours to enjoy. REEP applies for the government grants on your behalf.

What is the cost?

REEP's local supporters provide funding to help reduce the costs of an evaluation.

The Province of Ontario rebates 50% of the initial evaluation cost (up to \$150), sent to you automatically - we do the paperwork.

Initial evaluation (upfront cost)	\$240* +\$12 GST
Provincial rebate	-\$120
Initial evaluation net cost	\$120* +\$12 GST
Follow-up evaluation cost	\$90* +\$4.50 GST

Note: Follow-up is required to qualify for grants.

*Square footage fee may apply. Prices are subject to change.

Support for REEP to be available in your community has been provided by:

REEP is a project of Waterloo Region Green Solutions, a member of Green Communities Canada
