

Drawing for Multi-metering Properties: Commercial or Residential

Please include "North" direction. Dimensions to be in metres.

Sketch Area

Example Drawing

The example drawing consists of two views of a two-story building. The 'FRONT' view on the left shows a house with a triangular roof, a central entrance, and four windows. The upper level has two windows, and the lower level has two windows. To the left of the drawing, the text 'Unit # (upper level-numeric)' is aligned with the upper level, and 'Unit # (lower level-numeric)' is aligned with the lower level. The 'SIDE' view on the right shows a rectangular building with three distinct horizontal levels, representing the upper level, the lower level, and the ground level.
